How to find us
 Located close to the Lake District and the border with Scotland, Carlisle is attracting a growing number of students. Its lively and friendly atmosphere is combined with a great outdoor life.

There are three main campuses, all within walking distance of the town centre and all with facilities that are maintained to a very high standard.

Every student has access to the special facilities at Fusehill Street—the newly opened Learning Gateway, an innovative multimedia learning resource centre and the impressive new sports centre development, which has a large four-court sports hall and state-of-the-art fitness room.

Carlisle offers a wide choice of facilities and social activities including trendy bars, pubs, restaurants and clubs, a cinema complex, a theatre, live music venues and several sporting venues.

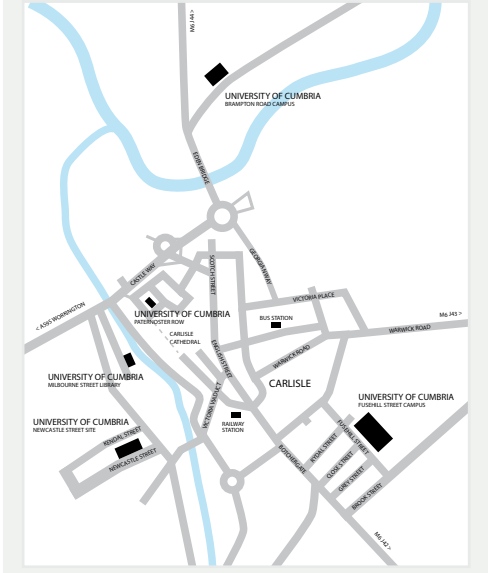

By road
 Leave the M6 at junction 44 and join the A689 signposted Hexham. At the next roundabout take the last exit (B264) and follow the road into town (Brampton Road). Continue for two miles until housing gives way to railed parkland. The main entrance is on the right.

By rail
 From the station, it is approximately a 25-minute walk to the campus.
